FROM: Mary Lankford

RE: Campaign Signs.

Effective today, June 8, 2010, the Board of County Commissioners took an emergency action and suspended the zoning regulations on campaign signs.

Campaign signs can be erected in the County immediately, and there is no restriction on the size of the sign. The only requirement in force is that signs need to be removed by November 9, 2010.

Please ask permission before affixing any campaign signs.
