Boulder, WY 82923

*I will strongly support active forest management
as a means to provide jobs, maintain healthy
forests, and reduce the cost of fire suppression.*

*I am a firm believer in private property rights.
The right to own and control property is the
most fundamental right guaranteed
by the Constitution.*

KEEP SUBLETTE COUNTY GREAT!

Elect
**JOEL
BOUSMAN**
COUNTY
COMMISSIONER

PAID FOR BY CANDIDATE

SUBLETTE COUNTY DEPENDS ON A STRONG NATURAL RESOURCE ECONOMY

As an elected County Commissioner, my main duty is to **budget and fund** all responsibilities of our County's government. This cannot happen without a **strong economy!**

Only 20% of Sublette County's land is privately owned. Therefore, it is imperative for Commissioners to be engaged with the **federal and state agencies** to help maintain our **natural resource economy.**

- Over 90% of Sublette County's revenue is derived from energy development on federal land.
- Public access on federal lands is crucial for tourism and recreational activities; camping and hiking, hunting and fishing, outfitting or sightseeing.
- Ranching in Sublette County depends on grazing of federal lands.

THE BEST NATURAL
RESOURCE DECISIONS
ARE MADE BY PEOPLE
WORKING TOGETHER
AT THE LOCAL LEVEL.

With a strong economy, the people of Sublette County should continue to expect:

- ✓ Decent Jobs
- ✓ First-rate County Roads
- ✓ Good School Funding
- ✓ High-quality Senior Services
- ✓ Reliable Law Enforcement
- ✓ Trained Fire Protection
- ✓ Recreational Opportunities
- ✓ Rural Health Services
- ✓ Suitable Land Fill

As your Commissioner, I am defending our economy as follows:

- I represent Sublette County as a **Cooperating Agency** in all major federal planning actions. (NEPA)
- I am currently working with the Washington **BLM** office, strengthening Counties' role as "cooperation agencies," and in coordinating with Counties' natural resource plans.
- I am working with the **Forest Service** to develop a guidebook, clarifying the requirement to provide local government input into forest management.
- I led the WY effort at the National Association of Counties (NACO), lobbying for states primacy in rules for **hydraulic fracturing.**
- I led the effort in **creating a coalition** of Western states counties and Western states Governors, regarding federal decision making.

IF ELECTED COMMISSIONER, I WILL USE MY EXPERIENCE AND ASSOCIATIONS TO KEEP SUBLETTE COUNTY GREAT!
