### PRESS RELEASE

July 21, 2010

At approximately 2:30 p.m. on July 20<sup>th</sup> 2010, after an exhaustive search, Tip Top Search and Rescue personnel discovered the body of 28 year old Bodie Moody while flying low over the search area at Boulder Lake. Bodie was found lying in a remote, wooded area just north of Boulder Lake in Sublette County. Mood was reported missing on July 17, 2010 after he failed to return from a hiking trip on the Boulder Lake trail. Tip Top Search and Rescue began searching around 8:00p.m. July 17<sup>th</sup> and have been searching since that time.

Deputies from the Sublette County Sheriff's Office were flown into the area to aid in the recovery of Mr. Moody. An autopsy is planned for sometime Thursday July 22, 2010. Deputies reported that there appeared to be no signs of foul play. Further information into the cause of Bodie Moody's death will be determined after the autopsy.

Sheriff Wayne Bardin would like to extend a thank you to Tip Top Search and Rescue and to everyone who aided in the search for Bodie Moody.
