

## **One Lunger 100 Rules**

- 1973 or older on VIN
- Engine must match chassis
- Seat, ski, and track changes okay – OEM hard to find
- No Jackshaft
- No Modern skid-frames (suspensions)
- No Factory race sleds
- Hoods must stay on sleds
- Children 12 and under may race a stock 1980 or older twin cylinder up to 300 cc in the One Lunger class
- 2 person teams
- One sled per team
- Lemans start
- Grand Prix style track
- 100 laps

### **Twin Cylinder Class**

- All rules the same except
  - 440 cc limit
  - Single pipe
  - No aftermarket twin pipes
  - 2 carbs okay
- Legality of any sled or team will be decided on race day by vote of the racers or officials at the track

## **THEN THE...BIG IRON RACE**

The Big Iron is a "run whatcha brung" race after the one lunger. Not too many rules- \$50.00 entry, Lemans start, any snowmobile, 10 laps on the one lunger track, winner take all. we usually just meet after the race (one lunger), and anyone interested puts money in a hat- winner takes all the money and the hat.
