SUMMER IS OVER, SNOW HAS ARRIVED

Many thanks to Meghan Keelin for the summer newsletters she published for us. However, she has a new adventure in her life and has to move on. Meghan is opening a Montessori Preschool in Jackson Wyoming and has another little one on the way—so her time will be taken up with other things. Thank's Megan and Good Luck!

Again, I am undertaking the newsletter publication and welcome any news items you want to have included. I will endeavor to send out quarterly publications to keep all up to date on the happenings in and around Bondurant and the world with our members. Send me pictures, newspaper clippings, e-mails, phone calls or stop me at the Post Office or Café and I will get 'er done!

Kay Walker is collecting recipes for the new Bondurant Cookbook. Have you sent her your favorites? Send them now to her email

Bondurant Summer Church Services

Many thanks to Deacon Dennis Johnson and his wife Vicki for their service to Bondurant this summer with our Sunday services.

We look forward to next year and many more Sunday's!

May the Lord look over thee and me while we are absent one from another.

Heritage Day Sale 2nd Saturday August Annually

MORE BEEF??

Many thanks to Deanna Lincoln and Danelle Gahagan for chairing the event. Many donations were received for sale from community members. Everyone has fun sorting and pricing and buying and selling for several days leading up to the big day on Saturday.

Ever seen a herd of women looking thru truckloads of treasures??

Deanna came to the church for several days receiving goods and pricing them for sale to accommodate everyone's schedules..

Kathy Harvey cooked up a storm with chili, hamburgers and hot-dogs for Saturday lunch. Bakery

goods were donated by many neighbor ladies for sale.

The Dockham Family's donated picture was won by June Sweede. The antique quilt made by Grace Booker and donated by Hazel Halling was won by Sam Martin of Pinedale. Thanks Hazel for giving up a family treasure.

Did you miss the big day??? Mark your calendar, next year it will be the same day, 2nd Saturday in August.

See you there!

Too much is being
asked of too few ,by
too many.

School days, school days, oh what fun days!

Bondurant Elementary School has seven students this year. Welcome to kindergarteners, Aedian O'Connor and Kendall Palmer, Second grader, Trevor Palmer, as well as returning Third Graders, Samantha Burnett, Joshua Grant and Jacob Henry, and our Fourth grader, Lizabeth Rivera.

Teacher, Candice Walker has a new teacher's aide, Arlene Sibley. Arlene comes from an artistic

background having worked in movie production in the past and has lots to share with the kids. I believe they are building castles this week....

FUN FUN !!

Have you noticed the new playground equipment at the school?

*Can somebody help m
with this math????*

Bondurant Bar-B-Que June 25th 2006

Many thanks to the many volunteers who make this annual event happen. Again this year, WE fed almost 500 people in about two hours on a beautiful Sunday afternoon.

A very special thank you to the Little Jennie Ranch's new owner, Stan Thomas, for donating a beef. The club purchased the second beef from The Little Jennie Ranch with contributions made thru the year from our members. We solicit donations for this purpose each year. You can send these to the club anytime.

As always, the ladies of the community came thru with salads, des-

serts and a lot of time to make this event the success it has continued to be for the past 65 years. And a BIG Thanks to the Daniel Chicks for the music we all enjoyed.

We will truly miss Joe and Cathee Lincoln and their families who have moved to Arizona. They contributed many hours every June for the past few years to make the BBQ a success.

Irene Brinkerhoff has stepped up to take Cathee's place as co-chairperson assisting Gloria Thomas, and the crew!

We will see you all in June of 2007!

*ANNUAL
GATHERING
LAST SUNDAY
IN JUNE*

Thanks to Doug Schupman with Teton Trash who donated a dumpster for all our excess scraps and garbage after the cleanup!

WESTBANK SANITATION COMES TO TOWN

For those who don't know, West Bank Sanitation is now offering garbage pickup in the Bondurant Area twice a week with various size containers at a very reasonable cost. Contact them at 307 733 2615.

THANKSGIVING DINNER NOV. 19TH 12:30 PM

Each year, the Community Club offers a traditional Dinner for those of us whose families are far away or have no one to share the holiday with here at home. This year, we will again have turkey, dressing, chicken and dumplings, and lots of other goodies to share with all our neighbors. Mark your calendar and plan to join us for a good feast. Bring your vegetable or dessert to share.

Congratulations to Patty and George Engler on the recent birth of a new Grandson, Kemper Wayne, born to Shane and Sinette Serrano in Alaska. I am sure Patty has pictures to share with us.

Blood Draw had approximately 50 people with their sleeves rolled up. Thanks to Eva and her crew for feeding us afterwards.

Sept. Dinner Out was held at the church. Sept 9th and was catered by the Branding Iron crew. 36 people attended. Thanks Anne Reineger, Dannelle Gahagan and Sandy Teller for hosting the event. Thanks "GRITS" and their men for the cooking.

BONDURANT WEB CAM INFO

Paul and Barbara Elwood have set up a web cam at their ranch on Dell Creek for us all to share while we are absent from the area. You too can join the loop by sending information by emailing the info direct to pmellwood@earthlink.net.

Just log on and email the information to Paul and Barbara and see what happens. Or log onto Pinedaleonline.com and check the Sublette County communities and what's happening in the area.

Thanks again to Dennis Seipp for reporting the weather for our little spot in the world. USA today reports Bondurant as the coldest spot in the nation quite frequently, thanks to Dennis.
