

# CHILDREN'S LEARNING CENTER

A PLACE IN THE COMMUNITY WHERE ALL CHILDREN LEARN TOGETHER

CLC educators emphasize learning through play and encourage children to problem solve to better understand their world

- Considered among top in nation - Nationally Accredited by the National Association for the Education of Young Children (NAEYC)
- All staff have Bachelor degrees or higher
- Teacher to student ratio of 6:1
- Standardized curriculum that is individualized for each child..
- NEW Pre-K Program

- For children ages 3 - 5 years.
- Morning or Afternoon Classes

CLC teachers encourage daily writing activities to promote literacy, critical thinking and problem solving.

Children learn the sport of snow shoeing as part of the winter sports program at CLC.
