

# ARCHAEOLOGY ON THE ANTICLINE

Wednesday, April 21

5:30 – 7:30 p.m.

Museum of the Mountain Man (Pinedale)

Join the Museum of the Mountain Man and Wyoming Archaeological Society for a discussion on artifact protection, including excavation and conservation, on the Pinedale Anticline. Learn about the life cycle of an artifact from discovery to excavation and preservation. The event will feature speakers from the Bureau of Land Management, Current Archaeological Services, Wyoming State Historic Preservation Office and Office of the Wyoming State Archaeologist.

**Refreshments and appetizers will be served.**

This will be the inaugural meeting for the Sublette County chapter of the Wyoming Archaeological Society: Meetin' on the Green.

**Sponsored by Ultra, Shell and Questar.**
